There is much sunshine, and the **atmosphere** is bracing and **exhilarating**

11- Arduous

It was an **arduous** trip

12- excursion

We went on an **excursion** to the city

13- thrifty

I love how **thrifty** you are

14- That **spans** a wide demographic

15- shore

16- **Emerging**
emerging artists

17- **Avid**
an avid reader of science fiction

18- **Insinuation**
His reputation was ruined by **insinuation** and rumor

19- Ocean current

20- **Distinct**
The two concepts are quite **distinct**

21- **Designate**
he was **designated** as prime minister

22- **Throughout**
the event had repercussions **throughout** Europe

23- **Souvenir**

24- **Ecological**
Pollution is posing a serious threat to the **ecological** balance of the oceans

25- **Curriculum**

26- **Fluctuate**
Trade with other countries tends to **fluctuate** from year to year

27- **Synthetic**

28- **Predecessor**
Your **predecessors** assumed that rural policing was easy

29- **Dwindle**

30- Hygiene

I usually observe my **hygiene**

31- Chronic

chronic diseases

32- Irreversible

33- Favorable

This book received highly **favorable** reviews

The weather is very **favorable**

34- Oversee, oversaw

You must employ someone to **oversee** the project

35- Excavation

The **excavation** of the tunnel is still incomplete

36- Touted by

The new product was **touted by** the company as the best thing to hit the market in years.

37- Fleet

The small port supports the fishing **fleet**

38- Flame

A great fire **flamed** in an open fireplace

39- Lambaste

Lambasted ads

40- Negligent

directors have been **negligent** in the performance of their duties

41- Quip

She always has a clever **quip** ready to lighten the mood

42- Triumph

Triumphant

43- Tale

44- Disregard

Please **disregard** the previous email

45- Propulsion

they dive and use their wings for **propulsion** under water

46- Wreak havoc

47- Inadvertently

48- towed / tow

49- Grime

50- Slander

The doctor is suing his partner for **slander**

51- Applaud

52- Heed

He didn't **heed** my advice

53- compelling

Lucy had no **compelling** reason to go into town

54- Affluent neighborhoods

from these facts, we can **infer** that crime has been increasing

123- Dwelling

124- Hut

*They built a beach **hut** from palm leaves.*

125- Palm

126- Communal

a **communal** bathroom and kitchen

127- Foliage

The autumn **foliage** was bright red and gold.

128- Anthropology

128- archaeology

128- Archipelago

28- sociology

128- philanthropic

129- Don

He **donned** a hat before going outside.

130- Sportsmanship

131- Overshadow

but they've recently **been overshadowed by** the drive to win at any cost

132- Belligerent

belligerent parents

133- Shove

they started **shoving** people out of the way

134- Homicide

135- Fraction

Only **a small fraction of** parents are guilty of this hockey madness

136- Repercussion

their actions carry broad **repercussions**

137- Litigation

The contract helps avoid costly **litigation**.

138- Safeguard

139- Bemoan

most parents interviewed **bemoaned** the current state of minor hockey

140- Shun

now, to her disappointment, **shun** all team sports

141- Hindrance

Lack of money was a major **hindrance** to the project.

142- subsequent

In the **subsequent** open-mic discussion

143- Reluctantly

Even **reluctantly** playing any competitive sport will give kids the self-discipline they need to succeed in life

144- Self-described

However, self-described “recovering hockey dad” Steve Kosinski said, “...”

145- Fraudulent

Fraudulent lawsuits

146- consistent with what the X representative says

147- Spectator

148- Glean

as one can glean from the article

147- Monetary

They need monetary support

148- Refrain = shun

They would likely refrain from participating

149- Contentious

Contentious issue

150- Discretion

There would be more discretion

Please use your discretion when sharing this sensitive information.

151- Everlasting

152- restraint

Parents should exercise some restraint in order to protect their children

153- toddler

154- Stemming from

Most of her health problems stem from an accident she had when she was younger.

155- Competent

I feel competent doing anything on the computer

156- confer

the school's staff are **conferring about** whether to implement a policy that prohibits educators connecting with their students online

157- conduct

158- verdict

He consulted two experts to facilitate a **verdict**

159- conundrum

The school's principal has called on specialists to help advise on the teachers' **conundrum**.

160- liaise

teachers **liaising with** students on social networks

161- contend

other experts **contend** that such restrictive policies are **retrogressive** and limit the potential for education outside the classroom

161- confer

the school's staff are **conferring about** whether to implement a policy that prohibits educators connecting with their students online
